Dear Ray:

STAT

Attached are two copies each of Form 123 for [Redacted] and myself. We have tried to include pertinent information in the liaison block, but if you need more details, please let me know. I expect to be in Washington during the latter part of October, and I will give you a call then.

STAT

We have left certain portions of the form blank, such as the date, type of clearance, etc. which seem to be best handled by you.

Hope this does it.

Sincerely yours,

STA
